	Auto Login N	lext Time
	Login	

- 1. Remove the Easy Look icon from your Home Screen.
- Start the browser in your Mobile and download the App from <u>http://easylook300.easysoft.se</u>

Choose 'Add to Home Screen' (use default name).

3. Close the browser and start the App from Home Screen.

Note: on Android you must use Chrome.

4. Enter your Customer ID and password, and your SNMPc logon credential.

*Note:* the Customer ID and password is the same that is configured in the Easy Look program running on your SNMPc Server.

Click Login and you are On...
